# THE 1961 SHEVERON

PRESENTED BY  
THE SHEVERON STAFF

VERNON-VERONA-SHERRILL  
CENTRAL SCHOOL  
VERONA, NEW YORK

# FOREWORD

The hourglass of 1961 is slowly running out, and as the last few grains of sand slip into the timelessness of the past, so our last few days here at V-V-S become but pleasant memories. The future is beckoning to us—but let us silence its call for a few moments. Blend your imagination with ours and let them carry us back to September, to our first class, and our first day at V-V-S. Come!

# Dedication . . . . .

In deepest gratitude for the years of counseling she has rendered, both in teaching and through Student Council, we, the Class of 1961, dedicate our year-book to Miss Barbara Vaughn.

Bob -  
Wish I might have  
inspired you more in  
history. B. Vaughn

# CLASS HISTORY

With shining, happy faces we, as seventh graders, walked through the doors of the new V.V.S. Jr. High School. Amid the confusion of the first few weeks we realized we were only a small part of this gigantic function. Our consolation was that we would be the first class in V.V.S. to complete six full school years in the new building. We met as a class for the first time to choose our officers: **RAMONA KIPP, DAVE DEWAN, DAVE FERRIS** and **ADELE PAQUETTE**. We showed much enthusiasm in our new role for we won the PTA prizes in December and February for the greatest parental attendance at the meetings. In early spring we spent many fun-filled hours with Mr. Lang getting ready for our Variety Show which we put on for the whole school in an assembly. In retrospect, this was a year of new experiences and adjustments.

We were eighth graders when we came back to school in the fall of 1956. We were the upperclassmen of the Junior High wing, not just lowly seventh graders! **ADELE PAQUETTE, DAVE FERRIS, DAVE DEWAN** and **PAT HEUER** were our officers for the year. They started us off with a **RECORD HOP** in December. Beth Campbell was there to keep us on our toes. It was such a success that we held a St. Patrick's Dance, at which Dave Ferris and Adele Paquette reigned as Duke and Duchess. We felt quite "grown up" with the Dance Band and a semi-formal dance! We looked forward to the summer vacation so we could return in the fall as Freshmen.

When we organized ourselves in 1957 to elect officers, the slate we approved was **DAVE FERRIS**, President; **TOM PARKER**, Vice-President; **HOLLY HALL**, Secretary; and **ALLEN BARCLAY**, Treasurer. As Freshman we made plans for our School Fair concession — a penny throw — which was a smashing success. Our social calendar was highlighted by our February **VALENTINE'S DANCE**, which terminated our activities for the year.

In autumn 1958 we, as Sophomores, assembled to elect officers for the year. We chose **DAVE FERRIS** again to lead us, with **HOLLY HALL, JIM OSIER**, and **DAVE TUDMAN** assisting him. We demonstrated our loyal school spirit with an earnest sale of red and white pompoms, which were wildly flaunted at the games. It brought us a tidy little sum to add to our mounting treasury. Our **APRIL RECORD HOP** climaxed our class social projects that year.

When we returned to school for the fall term, we couldn't help but anticipate an exciting year. We held our annual election of officers in the gym, designating **DAVE FERRIS**, President; **ALAN BARCLAY**, Vice-President, **COLLEEN DAGER**, Secretary, and **JIM OSIER**, Treasurer. Again our concession at the School Fair earned us a good profit. After careful appraisals of ring companies, the ring committee finally decided on the Herff Jones Company. We ordered our rings in October and anxiously awaited their arrival. When they came we were oblivious to everything else but our magnificent class rings! For many weeks afterward we proudly displayed them. They confirmed our status as Juniors. While waiting for our rings we began the unusual task of converting the gym into a football field for the November **FOOTBALL DANCE**. The Silver Moon Orchestra played for us under red and white streamers attached at each end of the gym to goal posts. Queen April Hall reigned on a throne representing a gigantic football. An assembly dealing with the American Field Service

helped persuade V.V.S. to initiate a program whereby we could have a foreign student. Since we would especially benefit (the student would be a member of our own class), we worked feverishly to sell our fifty-cent "Shares" to neighbors, friends, relations or any likely customers. Then came the long-awaited Prom! We decided, after much discussion, on **BALI HAI**, taken from the movie "South Pacific," for our theme. The decorating committee spent long hours recreating the beautiful mountains in appropriate settings. The dancers whirled around the misty Bali Hai to the music of Freddi Lawrence's Orchestra. The big moment came when Karen Jones and Dave Ferris were crowned King and Queen of our class by last year's monarchs.

Then followed the traditional Grand March, after which the couples left, some to parties, some to the Sherrill Legion which stayed open all night to accommodate us. The glorious night of May 20, 1960 will live in the memories of us all.

After summer vacation we were actually anxious to get back to school! No, we weren't crazy; we were Seniors — the upperclassmen of V.V.S.! This was the home stretch of our journey as the first class to go completely through V.V.S. As we had begun our career with a "first," so we again established a new trend in our last year, for our AFS efforts were rewarded, thanks to Miss Vaughn and her committee. A foreign student had come to V.V.S. as a welcome member of the class! All of us were thrilled to meet "Uli" — Ulrich Bloemeke — from Germany. We showed him around school and introduced him to our friends. Whenever we saw Uli he was surrounded by eager listeners to tales of Germany. At our school fair concession Uli's advertising in German drew a large crowd. We used an apparatus that enabled anyone who could pop a balloon with a dart to dunk Ed Mount or Jack Durr in a tub of cold water. In order that Uli may remember this year with us, we purchased a class ring for him. Already big plans were being made for Graduation. We had our Senior pictures taken which all turned out very well. We made up our yearbook statistics and voted on the "Who's Who" section. We proudly watched our boys on the powerful football team as they went from one victory to another, to win the championship of the Tri-Valley League. During the Christmas season we sponsored a Homecoming Dance, honoring the V.V.S. graduates. The Dance Band kept a steady rhythm for the dancers, as they waltzed around the gayly lighted Christmas tree. The "homey" decorations gave the gym a sentimental air.

This spring our class was given the honor of carrying out **TWO** Senior Days, instead of the traditional one. The faculty and administration were replaced by Seniors who capably filled their positions. This was an enlightening experience for all, as we realized what a tiresome task teachers and administrators have.

Our Talent Show was lots of fun to organize. We spent happy hours after school rehearsing, and were well pleased with the resulting performance. Choosing our caps and gowns, and ordering our announcements, gave us a chance to think ahead to Graduation in the near future. Our biggest moment — Commencement — is yet to come, but we face it with mixed emotions. We're looking forward to our first get-together as alumni at the Dinner Dance. The next day we'll be on our own in the big, frightening world. But, "whatever our fate, we will glorify your name, V.V.S.!"

ULRICH BLOEMEKE

### DEAR FACULTY AND STUDENT BODY:

For one whole year VVS gave me the chance to become acquainted with the American life in and outside of school. Since the first day, both students and teachers showed me their warmth and made it easy for me to feel at home, although thousands of miles lay between me and my "Fatherland," Germany. I gathered during my stay at VVS experiences which will influence my whole future life, and, what I consider as the most important thing, I made friends for longer than just this one year.

During the schooltime the hours of fun always outweighed the moments of frustration. As you can imagine the first few days brought problems which I could master only with the guidance and understanding of teachers and students alike.

I would like to express my thanks and appreciation to all of you and in particular to Mr. and Mrs. Eugene Erb, my wonderful American parents; Dr. Skawski, Mr. Pilette, and Mr. Hoyt, the administrators of VVS; Miss Vaughn and Mr. Clark, my counselors; and Jerry Freeman, my student advisor and friend.

The favorable impression I got of America and her people, I shall always remember.
